Visit the HHS forecast webpage and sign up for email notifications. This will ensure you know when the FOA is available.
- ✓ Register /Update your grants.gov information, check your registration for the System for Award Management, Authorized Organizational Representative (grants.gov), and Point of Contact.

Record all of your log in and password information in one place.
- ✓ Explore possible partners in your area and identify your desired program model. As soon as possible start talking with partners about your model and changes you are planning.
- ✓ Decide on a grant writing team and strategy.

Develop a timeline or contact a grant writing company to assist you in the proposal development process.
- ✓ Download an application for a different service area from the last round of recompetition and review the criteria.
